Berlin, 03.08.2026 – Juwelo Deutschland GmbH, a 100% subsidiary of elumeo SE (ISIN DE000A11Q059), has today concluded a litigation funding agreement regarding the financing of a claim for damages against Vodafone. The agreement covers the expected costs of a damages claim against companies within the Vodafone Group which, in Juwelo Deutschland GmbH's view, have charged excessive feed-in fees over the past fourteen years for the distribution of Juwelo Deutschland GmbH's program on Vodafone's networks.

Together with three other plaintiffs, Juwelo has instructed its legal counsel to file a lawsuit for damages against two companies within the Vodafone Group. The damage claimed by Juwelo in the lawsuit amounts to a low three-digit million figure.
