### **elumeo SE: Public Prosecutor's Office exonerates management**

- **Investigative proceedings pursuant to Section 170 (2) StPO dropped**
- **Wolfgang Boyé, Thomas Jarmuske and Bernd Fischer exonerated**

**Berlin, 1 October 2019.**

The Berlin Public Prosecutor's Office has closed its investigations of three senior managers of elumeo SE pursuant to Section 170 (2) of the German Code of Criminal Procedure (StPO). The preliminary proceedings had to be initiated by law after the Berlin Public Prosecutor's Office had received a corresponding complaint. This was largely identical to the civil action brought by SWM Treuhand AG, represented by attorney Roderich Schaeetze.

The points at issue in the civil action and the criminal complaint are alleged unlawful actions by the members of the elumeo Executive Board at the expense of the group companies Silverline Distribution Ltd., Hong Kong, PWK Jewelry Company Ltd., Bangkok, as well as the Directors and other guarantors working there.

The civil action has been accompanied by an extensive media campaign in which attorney Roderich Schaeetze has disseminated a myriad of false accusations and allegations against the company and its management via the media. Wolfgang Boyé, Chairman of the Executive Board of elumeo SE: "The last few weeks have not been easy, neither for the company nor for the employees of the elumeo Group, due to the massive smear campaign carried out by the attorney Roderich Schaeetze via the media. It is therefore very reassuring for us that the case has now been dropped. We also do not see any prospects of success for the other side with regard to the other proceedings that attorney Schaeetze and his supporters have instigated."
