

## **Editorial changes to the 2018 Annual Report**

In the Annual Report of elumeo SE as of 31 December 2018, editorial typographical errors were inadvertently made that are not included in the form of the audited Consolidated Financial Statements. These relate to the following topics:

### **Date of preparation and approval of the Consolidated Financial Statements**

The Consolidated Financial Statements of elumeo SE were prepared on 9 June 2019 and approved by the Executive Board on 10 June 2019. The corresponding date for the preparation of the annual financial statements was incorrectly stated in the printed version as 10 June 2019, but is correctly included in the audited Consolidated Financial Statements.

The editorial error must be corrected accordingly on pages 50, 137 and 138 and the date 9 June 2019 must be used instead of 10 June 2019.

### **Presentation of events after the balance sheet date in the Notes to the Consolidated Financial Statements and Group Management Report**

On pages 28 and 29 of the Annual Report, we commented on events after the balance sheet date in the Group Management Report as part of the Supplementary Report. On page 136 of the Annual Report, we commented on events after the balance sheet date in the Notes to the Consolidated Financial Statements. The content of the presentation on page 136 corresponds completely to that on pages 28 and 29, but unfortunately contains editorial errors. The correct paragraph on page 136 should read as follows:

“The members of the Executive Board of elumeo SE were informed by third parties after the balance sheet date that SWM Treuhand AG Wirtschaftsprüfungsgesellschaft, Munich, had informed them that it had filed a lawsuit with the Berlin Regional Court and that it intended to assert an amount of approximately EUR 10 million against elumeo SE and individual members of the Executive Board on the basis of various claims. The corresponding action relates to the legal disputes described in section [F. Significant Discretionary Decisions and Estimates] of these Notes to the Consolidated Financial Statements. Following a comprehensive analysis involving legal advisors, the Executive Board of elumeo SE has come to the conclusion that, in addition to the question of whether the corresponding claim was asserted in the proper form, the aforementioned claim bases are also unfounded.”
